Hiking trail categories

The Swiss hiking trail network is divided into different categories of trails. The following notes and symbols must be observed for the requirements of the various routes:

•	Hiking trails*	No special requirements
-	Mountain hiking trails*	Mountain experience required
-	Alpine hiking trails	Alpine experience and equipment required

* these hiking trail categories can be found on the Flumserberg.

To the code of conduct on the mountain for safe coexistence

Train: The IR35 Aare Linth runs daily and hourly from Bern to Zurich main station and Chur, with a stop in Unterterzen. The S25 also departs daily from Zurich main station and changes to the S17 in Ziegelbrücke to reach Unterterzen and thus the valley station of the SeeJet gondola. The S17 from Rapperswil reaches Unterterzen directly in 37 min.daily and hourly. From St.Gallen, the S4 has a direct connection to the S17 in Uznach. With the Hike'n'Rail Flumserberg, RailAway is also offering an attractive combined offer this summer, including the journey by public transport. More information: **www.sbb.ch/flumserberg**

PostBus: From Sargans station, the PostBus takes you via Flums to Tannenheim and Tannenboden. Reservation obligation for bikes.

Car: The Flumserberg can be reached quickly and easily by car. There are numerous parking facilities available at Flumserberg, in Oberterzen and Unterterzen. Parking is subject to a fee.

CLIIMBER

Experience pure climbing pleasure

With its more than 100 climbing stations, you can experience extreme climbing thrills on the CLiiMBER climbing tower on Prodalp. Use the three levels to ascend 15 m in the air. Once you reach the top level with its amazing views, let yourself be carried away soar over a distance of 700 m with the flyingCLiiMBER using six different lines. Improve your agility and speed on the CLiiMBERwall as you scale five routes up to a height of six metres. And even the youngest climbers can practice big skills on the miniCLiiMBER.

this does not apply to all kinds of groups, schools and the SeeJet gondola.

FLOOMZER

*bicycles including pedales.

Race down to the valley through the pre-alpine landscape

Our FLOOMZER is an all-weather safe toboggan. You can hurtle down the 2 kilometre route from Chrüz to Tannenboden, descending 250 metres in altitude and negotiating tunnels, bridges, bends (including 360-degree loops) and undulations. The entire run is surrounded by breathtaking mountain scenery. Take advantage of the attractive Early Bird daily special and enjoy unlimited oboggan rides from 10.00 to 12.00 noon. The FLOOMZER toboggar run is an ideal excursion destination for families, groups, clubs, and companies.

Family hit: Children under 12 years of age accompanied by an adult can ride on our cable cars free of charge;
